DEMAND SURRENDER

As a full round action, ready an action to attack a foe if they take any action other than to change grip, banter, drop an item, drop prone, sheath a weapon or total defence.

Livello 9 At the same time you may attempt to demoralise the foe; if successful, gain +1 to your attack.

If an ally attacks first, you lose your readied action and bonus. Allies can ready an action on the same trigger, and gain the same +1 bonus to attack.

Livello 14 Demand surrender as a standard action.
