ARMOUR MASTERY

Gain one of:

- Stufe 2
- Proficiency with light armour
 - Proficiency with heavy armour
 - Fortification ability with heavy armour granting 20% critical resistance.

CHALLENGE

As a full action, move and make a single attack against one target. This may be a trick attack.

- Stufe 4
- Roll an intimidate check, optionally using your base attack bonus in place of total skill bonus, to demoralise the target. If successful, the target is also off-target for any attack not against you.

You cannot challenge the same target for 24 hours.
