LIMITED AI

After your turn, your drone takes either a move action or a standard action to attack.

EXPERT AI

Your drone takes either a move action, a Poziom standard action to attack or a full attack.

7 -6 Attack penalty when making a full attack

TRUE AI

Your drone can act with full autonomy. It takes a full round of actions without needing direct control.

Poziom 20 -4 Attack penalty when making a full attack

MASTER CONTROL

Spend a move action to directly control your drone. It gets a move action and a standard action.

UPGRADED POWER CORE

Poziom 10 Make a full attack without requiring direct control, and at only -4 penalty. 1 rp

COORDINATED ASSAULT

Poziom 11 When you and your drone attack the same target, you both gain +1 to attack.

Table with 10 columns: Poziom, Hit Points, Bazowa Premia, Armour Class, Saves Good, Saves Poor, Ability Increase, Feat, Mod. Rows 1-20.
