A diagram of a hexagonal lattice structure. It features a central hexagon formed by dashed lines. This central hexagon is surrounded by a larger hexagon formed by solid lines. The space between the two hexagons is divided into six trapezoidal regions by solid lines. The entire structure is set against a background of a larger hexagonal lattice of solid lines.

A blank template for a 3D cube. It consists of six squares arranged in a cross shape. The top and bottom squares are white with a dashed border and rounded corners. The middle four squares (left, center, right, and bottom) are white with a dashed border and rounded corners. The right and bottom squares have a checkered pattern. A pencil icon is located on the bottom square, and a scissors icon is located on the right square.

1.  Cortar con cuidado con cuchilla o tijeras, siguiendo las guías marcadas
2.  Fold along the dotted lines, making sure the  hatched areas are hidden or face down
3.  Opcionalmente, arreglelo con pegamento
