**INICIATIVA** 

A diagram of a hexagonal ship layout. It features a central white circle surrounded by six gray segments. The segments are labeled: 'PORT' on the left, 'STARBOARD' on the right, and 'AFT' at the bottom. An arrow points to the top segment, which is unlabeled. The entire layout is enclosed in a dashed hexagonal border.

1.  Cut out carefully with a sharp knife or scissors, using the | marks as guides
2.  Fold along the dotted lines, making sure the  hatched areas are hidden or face down
3.  Optionally, fix it with glue
