**INITIATIVE**

## A large, blank initiative marker template. It features a checkered border and a central area for writing. The text "INITIATIVE MARKER" is printed at the top. There is a dashed line for a name and a solid line for a description. A small icon of a pencil is visible in the top right corner of the central area. A pair of scissors icon is in the bottom right corner, indicating where to cut.

A diagram of a hexagonal ship's compass rose. The rose is divided into six segments. The top segment is labeled 'AFT'. The bottom-left segment is labeled 'PORT'. The bottom-right segment is labeled 'STARBOARD'. An arrow points towards the top, indicating North. The rose is surrounded by a dashed line and a solid line.

-  Vorsichtig mit Schere oder Teppichmesser an den Markierungen ausschneiden
-  So entlang der gepunkteten Linien falten, dass die Schraffierung nicht sichtbar ist.
-  Bei Bedarf Kleber benutzen.
